Wind-lock Adds Exclusive Tools/Accessories to Drywall Offering

Leesport, PA – As Wind-lock continues to expand its drywall tool offering, the company has added private-labeled and exclusive products to the mix.

“Offering Wind-lock branded products is a great way to provide our customers quality products at a competitive price while also branding our company,” explains Carter Benjamin, Executive Vice-President at Wind-lock. “And, whenever we can bring in a product as an exclusive, we do it to offer more value to our customers.”

Wind-lock’s exclusive drywall product line includes:

- Wind-lock Mesh Tape – available in two sizes and three colors
- Wind-lock Red Core Sponges – available in three varieties
- Wind-lock Measuring Tapes
- HI-TAC® Drywall Hammer – available in two varieties

-MORE-

Within less than a year, Wind-lock has quickly established itself as a major supplier of drywall tools and accessories. For more information on the company's complete offering, including EIFS and stucco accessories, Stealth GFRG access panels, Dow[®] spray foams and weatherization products, visit their web site at www.wind-lock.com or call them at 800-872-5625.

Serving the construction industry for more than 25 years, Wind-lock has expanded its offering beyond tools and accessories for the EIFS industry. The company has grown to serve other segments of the residential and commercial construction industries including air sealing, drywall, exterior wall systems, insulation, moisture management and weatherization. Delivering "What You Need, When You Need It", Wind-lock ships its products nationally and internationally from five warehouses located across the country.
